WORSHIP IN NOVEMBER

Come let us worship!

Welcome to Worship in November. The journey continues as we venture through the Bible together hearing God's Story and our Story mingle. God's promises to God's people were renewed in the prophets at a time when wars surrounded and encroached on the small countries of Israel and Judah (God's kingdom divided). Throughout each of these times of the prophets, God remains faithful to the people, and the people shall remain faithful to God.

Open our eyes, Lord to see the needs of your people, teach us to spread justice, teach us to spread kindness, teach us to spread humility, teach us to spread awareness, teach us to spread truth, help us spread healing. As we worship you Lord, help us hear your needs for your people. Amen.

Greetings from
Pastor Steve & Pastor Leslie

Availability is probably one of our biggest nemesis. We schedule our days full of this or that and when one more thing happens to be piled on our plates, or the untimely guest, or unexpected phone call comes, we become flustered with the day and we don't know when we will ever get it all done. We simply just don't have enough time we tell ourselves, if only we had more time. But in fact, we all have the same 24 hours each and every day. It's what we do with those hours and how we respond to happenstance that make a difference.

I have heard one of our members say frequently, in the morning when they get up, they simply say, "Lord, what shall we do today?" This is a striking thought. It's not that eye open dread of the schedule that is before us for that day, but being fully open and alive to what God might be calling to us in that particular day. You never know how God will work through you to make a difference in the life of someone else, or in your own life. How are you open to the availability of the day, when God might just have other plans?

When we begin to see the contours of Jesus' amazing and personal love, we can't help but begin sharing the love it kindles in us. We begin to see the unique abilities God has given as channels through which our Savior wants to pour his love into our lives and in the lives of others. We see the needs all around us, some of them urgent! We respond especially to those in love and joy. As we serve others, we honor our Savior, what a blessing.

In Isaiah 6:8 it says "I heard the voice of the Lord saying, "whom shall I send? And who will go for us?" and I said, "Here am I. Send me!".

May you see the great gift that each of you are, "fearfully and wonderfully made" as God designed you, to walk with him in life serving each other in truly unexpected ways, if we just allow ourselves to be open to his call, which might just change your calendar, and change your world.

Amen!

In Christ

Pastor Leslie and Pastor Steve

Thank You For Helping With Sunday Morning Parking!

This fall, our total Sunday morning worship attendance has increased dramatically, and that's wonderful! And so with more people coming to church, our handicap parking spots are very, very important, but rather limited.

Therefore, it has been quite helpful when our able-bodied members have parked a little further away, leaving the closest spots open for others! There have even been kind folks who have waited at the east entrance and have parked cars for people, so they didn't have to walk far!

Thanks for being such a caring congregation!!!

A SHINGLE WITH YOUR NAME ON IT!

Would you like to help pay for our new roof by:

1) **Signing the back of a new shingle**
2) **Making a donation to the roof fund**
3) **And having the shingle installed somewhere on the new roof!**

There will be shingles available in the Narthex now!

'Youth & Family Development Team' Progress

Our 10-person *Y & F Ministry Development* team has begun meeting with ministry consultants from Interserve Ministries in order to help our congregation develop vibrant, long-term, sustainable ministries for all ages of our children, youth and parents.

In November they will finalize a "Youth & Family Ministry Worksheet" that will be presented at the Semi-Annul Meeting to help get congregational insights and ideas. Those results will then be followed up with some conversations with small focus groups of GFLC members.

Thank you for helping with this endeavor in whatever ways you are able!

Youth Ministry Happenings

G.F. Community Food Drive – This annual event was held Wednesday, October 29th. Our 6th, 7th & 9th graders joined forces with youth from the other Granite Falls churches to pick up food all throughout the city. This food will help stock the shelves at our local Food Shelf.

Jr. High Youth Gathering in Willmar: We will have three 6th – 8th graders take part in the annual SWMN Synod Jr. High Youth Gathering on Friday, Nov. 21 & Saturday, Nov. 22nd. This event is held at the Holiday Inn in Willmar and is an awesome way for our younger youth to experience their faith in a fun way.

Detroit Youth Gathering – 2015! On Sunday, Nov. 23rd, at 4pm, all the youth and adults, from GFLC, Healing Waters & Clarkfield Lutheran who are going on this trip will meet to make 'Tie-Blankets', homemade pizza and talk about their trip.

Confirmation News

November begins a new group of confirmation students having class at 7pm every Wednesday, starting on November 5th.

*The 6th Graders will begin their years of Confirmation instruction by studying the Apostles Creed and the 10 Commandments. Pastor Steve will lead this class, and he will have the parents join the students for the session on November 5th.

*The 7th Graders will be meeting with Pastor Leslie, and they will continue their confirmation learning by learning all components of the Small Catechism.

We congratulate the 11th Graders who were confirmed on Oct 26th. Included in that class were: John Baker, Haley Halvorson, Blake Helgeson, Joshua Hoernemann, Samuel Jans, Kalli Knudson, Zachery Moe, Abigail Peterson, Garret Skjefte, Logan Thorstad.

Stewardship Awareness:

Have you been enjoying the ***"Thank You"*** slides being included on our screens before each worship service? Each of these slides highlight one aspect of our congregation's life and ministry which has been made possible through the generous donations of money, time and people's talents. These fun slides are courtesy of the Stewardship Committee. If you have any suggestions for additional things to highlight, please write those on the Sunday Morning Connection Cards and place it in the offering plate.

Roofing Update:

After almost two months of pretty good fall weather, the excellent crews working on our roof have made some real progress and expect to be completed around the 1st of December. There is nothing fast about the process that they need to follow due to the steep pitch of the roof, the asbestos in the old shingles, the amount of insulation being added and the intricate way each metal shingle is locked into the other shingles to form a water-proof seal.

The south side of the roof took many extra hours. They needed to build new roof-lines next to the bell tower in order to create correct drainage and eliminate our previous water problems in those areas. And they needed to cut in many valleys and odd angles. It has been impressive to see how persistent they have been even as the temperatures have dropped and winds have blown in. Now we'll see if the weather holds out through November without too many more delays. So far they've only lost about 5 days due to inclement weather.

Many, many thanks to all of you who have dropped off goodies for the work crews to enjoy! That has been really nice.

Share Your Ideas For Our Long-Term Use of the Miller House & Property

There is now a Miller House & Property Idea Box! The Church Council is inviting everyone to write down their good ideas for the long-term use of this newly acquired property. The box will be available until the end of December. All suggestions will then be evaluated, discussed and processed by the congregation, with the goal of reaching a decision by the May Semi Annual meeting. All suggestions for the long term use of this property must include ways to finance, staff, maintain, etc. the idea. Let us all prayerfully consider what God may have us do with this wonderful gift.

All Saints Sunday, November 2nd

There will be two very special services on Sunday, November 2nd at 9:00am and 2:00pm in which we will honor and celebrate people who have touched us through their lives of faith.

At our 9:00am service, we will honor all our saints who have been baptized, and all who have died, in the last 12 months. There will be a video collage showing pictures of those we are remembering that day. Plus, we will have special music and Holy Communion to highlight these festival services.

Then at 2:00pm, everyone within the Granite Falls Community is invited to our Annual *All Saints Service of Remembrance*. Here we will have families and friends gather together to share prayers & scripture, light candles and give honor to anyone in their lives who has died in the past 12 months.

Here is the list of those we will be honoring this Sunday. If we have missed someone, please call to let the office know.

Outreach / Mission Committee

The Outreach/Mission Committee has been busy making candy: fudge and chocolate peanut clusters. Candy sales at the Berge Building have been going well. It will continue being sold there as well at our November 1st Fall Bazaar and at Sunday morning church services during November and December.

A Christmas Dinner will again be held on Christmas Day. Also in the planning stages is a free community dinner to occur once a month for whomever wishes to attend. Hopefully, these will begin in January. If anyone would like further information about the meals and/or to volunteer to help, please call Ardyth Vos at 320-564-3953 or Gail Opdahl at 320-564-3364. The meals will be free, but if anyone would like to donate towards the cost, please send your gift to the church marked "Outreach Dinners".

Thank you for your continued support. It is appreciated!
